I will also be looking at cover letters. This is a good time to practice those if you are a new judge. If you feel comfortable and know me already in a friendly and/or professional capacity, you may choose to submit a quick response. If not, take the time to carefully craft one and I will review that. This is a great overview of the topic if you need help with those:

## The Basics

Cover letters for judging events are quite different from cover letters in other fields. For one thing, there's no need to put your name and address at the top like you would for a traditional letter. That information is automatically included by JudgeApps when you apply, along with your JudgeApps profile photo.

Cover letters for events should generally be kept short. Conveying information succinctly is almost always more important than excessive writing. As a consequence, you don't need to spend space on an elaborate introduction or conclusion. Judge Managers already know that you're excited to work for their event, so mentioning this is generally superfluous. Don't

in March. It is intended for those who were unable to make that conference. Priority will be given to those applicants.

Priority will also be given to applicants from the Midwest region. However, if you are from another region feel free to apply. It is very likely we will have spots available for you.

This conference is JA approved and foil supported for certified judges L1 and above. You must attend all four presentation times unless an exception is given in order to receive foils. Attendance is capped at 125 attendees.

This is a two-track event that will be run on Zoom and Discord. What this means is there will be three sets of two simultaneous presentations. One track focusing on soft skills, the other on hard skills. You will choose which presentation you wish to attend during each time slot. Those will be followed by a single presentation that everyone will attend. Please ensure your Zoom is up to date as

space for judges to penmanship generally, or get exposure to the kinds of skills and knowledge they would have gained naturally from attending events.

Anyone with a Judge Academy account is welcome to apply; however, only certified Judges will receive foils. Sponsorship includes one pack of four promos for each Judge Academy Certified Judge at the Conference. There is no regional lock nor cap for this event.

The conference will be held over Zoom and Discord. Chats and general conference announcements will happen over Discord, while the lectures themselves will be given over Zoom.

This event will begin at 10:00 Central European Time and run till about 18:00 (6 pm) with a party to follow.

一か月まるまるカンファレンスがあり様々な内容が聞けた。ジャッジになりたての頃だったので今聞いたらまた得れるものだと思います。

(※昨年、大角さんがメール配信されていたものです)

# 感想 (Prismatic Lens Conference)

---

LGBTについて:

該当するジャッジの話や言語における性別(三人称)の話等がメインの議題だった。

ジャッジにおける優先順位の付け方などグループごとに議論したり、、、などあり国外の考え方に触れられて興味深かった。

# 感想 (UK Judges Community Conference I)

---

Soft Skillメインのカンファレンスでイギリス人の気質が伝わってきた。

(プレゼンテーション作成時の色の使い方等)

カンファレンス終わりにクイズの時間があり、こちらは自由参加

(イギリス、このカンファレンスしかないのに二回目で何を話すのか気になる)

## What kind of support are you requesting for this conference? \*

There are two options for promo support. In order to allow for an option for learning environments with less tracking/overhead, you can request support for Organizers and Presenters or all Judge Academy attendees. The type of support you offer must be announced when applications open. It is the organizer's responsibility to ensure promos are delivered to other attendees and presenters.

- ☐ I am requesting Promo Support for Organizer/Presenters ONLY
- ☐ I am requesting Promo Support for ALL accepted JA (L1+) attendees

If you are a Level 1 Judge, do you have an L2+ Judge working with you or endorsing this conference?

## Summary of Changes to Conference Policies

1. All Judge Academy supported conferences **must be digitally run**. This means judges organizing conferences or seminars will need to use a digital method to organize and execute their event, such as WebEx, Zoom, Discord, GoogleMeet, TeamViewer, or Skype. In areas where local laws, regulations, or guidelines have permitted, Judges attending an online conference may gather together in smaller hubs as long as they are following their local guidelines around social distancing. However, in addition to being safe and smart around social distancing, those who are able to safely gather are still expected to **fully participate digitally**, so consider technical limitations and requirements. If you are unsure if it's safe to gather, don't. It is important to us that, even in areas where local laws have allowed small gatherings, those attending online are going to be receiving the same level of experience and that no one feels obligated or pressured to attend anything in-person.

## 2. Description of Conference Roles:

- Basic Attendee – A certified JA Judge or L3 Emeritus attending a conference who does not hold any additional role at the conference
- Primary Organizer – The single point of contact for Judge Academy. This is the person responsible for distributing promos to participants after the event. There should only be 1 Primary Organizer for each conference.
- Additional Event Staff – This includes any additional organizers, moderators for multi-track events, event assistants, etc. In

## Step 1

### Announcing the Conference

To learn how to create an event on Judge Academy [checkout our walkthrough!](#) The initial announcement about the Conference should contain as much information as possible:

- **Date of conference**
- **Estimated start and end times.** Participants need to know this in order to plan their day.

## Step 2

### Presenters and Reviewing Content

You can start recruiting presenters or Conference leaders even before announcing the Conference to the general public. Posting a general call for presenters is common practice, but you might also contact individual Judges who are specialists in a particular topic or known for being skilled presenters.

Content for Conferences

## Step 3

### Planning the Conference Schedule

Once you have your final list of topics and presenters, you should start planning the schedule. Each session is usually about 40-50 minutes long. A common setup is to allow 60 minutes per session: 40-45 minutes for the presentation, 10 for questions, and 5-10 for a break. That said, many organizers have found

## Step 4

### Feedback Forms + New Judge Welcome

It's important to gather feedback, to help you plan a better Conference next time, and to help presenters improve their presentation skills. Judge Academy does not mandate the use of feedback forms for sponsored events. Many organizers have created before/after topic quizzes, virtual hand raises, or other

## Question 71

Natasha controls an Alpine Moon naming Temple of Plenty. What happens when Atticus plays his Temple of Plenty?

Hide Answer

Another Question

It enters the battlefield untapped, and its enters-the-battlefield trigger will not trigger.

"Temple of Plenty enters the battlefield tapped" is a replacement effect. (614.1d) Since the Temple of Plenty loses that ability, it enters the battlefield as though that replacement effect didn't exist. (614.12)

"When Temple of Plenty enters the battlefield..." is a triggered ability. (113.3c) Enters-the-battlefield triggered abilities check their trigger conditions immediately after the permanent enters the battlefield. (603.10) Temple of Plenty does not have the ability at that time, so it does not trigger. (611.3c)
